Hope's Corner serves a hot and nutritious meal every Saturday 8am-10am and Wednesday 8am-9am at the corner of Hope and Mercy in Mountain View

## It's almost here - GivingTuesday !

Cold feet slip into new, warm socks. Cold fingers wrap around a hot coffee cup.

The heat of a hot breakfast steams up the cold air.

**GivingTuesday, an international day of giving, is November 30.**

**Please remember Hope's Corner on GivingTuesday and make a donation.**

With the weather turning cold, your generosity fuels the kindness engine that warms the cold people of the morning at **Hope's Corner**. We're serving more hot meals than ever in Mountain View, and providing hot showers onsite that do much more than provide temporary comfort. Hope's Corner gives hope to those who are often forgotten.

Take it from one of our guests, a homeless college student who struggled to find help charging the laptop she needed for her classes:

***"Hope's Corner listened and actually felt my predicament and took action where all the others did not bother to even try."***

Your gift will make a difference, but you don't have to wait. You can donate early starting today on our GivingTuesday page.

Thank you!
